**Theme:** Salt & Light

A). Students volunteer at the Children's Hospital in Seattle.

B). The Campus Ministries team leads out in foot washing to begin the school year.

C). Hiking at Sunrise Point, Mt. Rainier, for a Sabbath afternoon activity.

D.) Students headed out collecting food for the Auburn Food Bank instead of trick-or-treating in October.

"You are the salt of the earth and the light of the world..."

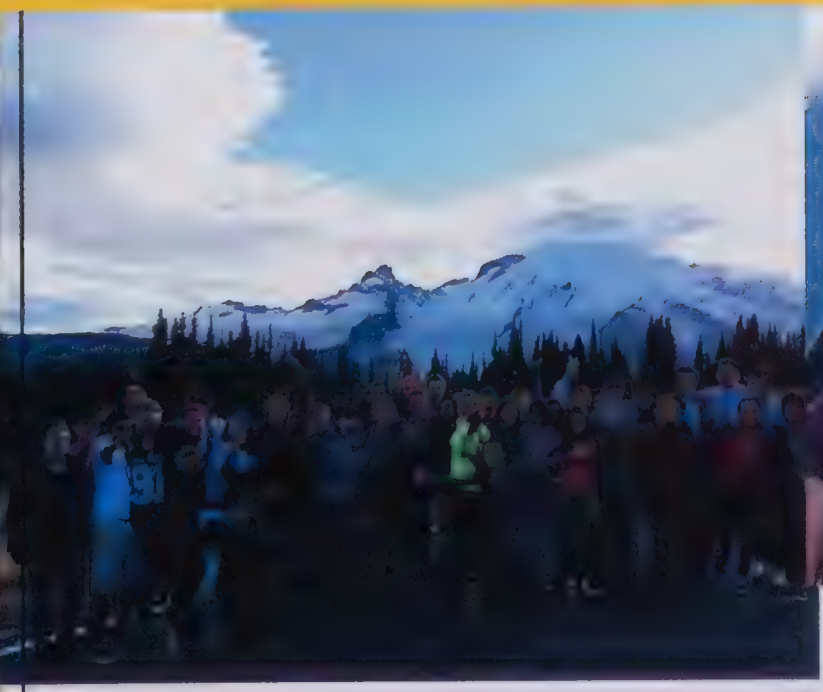

E). Team work is required to defrost a frozen t-shirt!

F). Auburn students led out in a spring Week of Prayer at Northwest Christian School. Each day a different student spoke on a characteristic of Jesus.

G). The Campus Ministries Team poses with Christian musician Mark Schultz at the first vespers of the school year!

...let your light shine before others." Matthew 5:13-16

Tristen Johnson and Gretchen DeGabriele volunteered at the Humane Society.

## Community Service Day

Auburn students escape the classroom once each year to participate in Community Service Day. Students participate by organizing books at the local public library, packing lunches at the Auburn Food Bank, cleaning kennels at the Humane Society, planting trees and clearing away trash in residential areas to name a few of the projects. McKenna Butler, Freshmen shared, "It was overall a fun day with my friends and when we were done, seeing the finished product made the hard work seem worthwhile."

# ASB Getting To Know You

Getting to Know You is a night full of friendly competition between classes. Each class participates in games like Almost Anything Goes & 4-Square Volleyball to see who can claim the winning title. It is a great and fun way to start off the new school year and also get to know some of the new students and rekindle friendships with old classmates.

Students enjoying the awesome games ASB puts on.

We thank our ASB for all the fabulous activities.

## Battle of the Classes

Each class shows of their skill and teamwork during Auburn's Getting to Know You night.
